INTERVIEW OF WILLY LAAGA

At request of British Security Service subject was interrogated
at Abensberg Political Prison 19 June 1945.

During my stay in Finland I have met the following persons
who have been connected with the Abwehr, directly or indirectly:

1. LIEBIG, Oberleutnant. Was in (S-3) at ACK and as such chief
for all Abwehr work. He was transferred in 1944 and succeeded by
2. NAASKE, Major.
3. WARTZCHA, Oberleutnant. He was among other things chief of
the Geheim Feldpolizei (Secret Field Security Service) and
had a detachment in nearly every division. He was executed in
1942 by
4. Dr. FRIEDRICH, Lieutenant. Lived in the USA several years.
5. GELLARIUS, Major. Maintained offices in Helsinki and only
visited Rovaniemi occasionally. I believe he was the ranking officer
of the Abwehr in Finland. Have met him several times at
"Paasikari" in Helsinki and believe he worked very closely with
the Finnish Intelligence.
6. WAGNER, Major. Worked with GELLARIUS, later in Stockholm.
7. HORN, Lieutenant. Also worked with GELLARIUS, later in Berlin.
8. HELSINGIEM, Frd. Worked with GELLARIUS as secretary and
interpreter, Finnish-Finnish.
9. PETERS, Hauptmann. Worked with Major PAATIALO (Finnish)
According to PETERS story, he recruited reliable Russian and
Finnish volunteers, organized them in groups of 2 to 10 men
for work as FAK behind the Russian lines.
10. BLOCH, Major. Associated with GELLARIUS.
11. SALA, Lieutenant. He was the successor of PETERS. Subject worked
with PAATIALO and they were as brothers. They have met each other
several times at the Swedish-Norwegian border from the fall of
1944 until the capitulation.
12. KRACHT, Lieutenant. Worked with SALA.
13. SPENGLER, Sonderführer. Interpreter for SALA.
14. HANNUKINEN, Finnish w/t operator for SALA.
15. RUOTSALAINEN, Finnish w/t operator for SALA.

17. HUNTER, Hendrikus. Worked with the Hunter in Potomac.

18. PATERA, John. Finnish, previously chief of the Radio Police in Tallinn. Head of the Finnish Intelligence working with the ABE. Has connections with the Finnish Intelligence as well as the British. It is reported to have an excellent knowledge of the Soviet Union and Finland with which he maintains contact by means of radio. Also the source of the Finnish Intelligence in Finland and Sweden. In 1941 when connections with the intelligence resistance network in Finland.

19. SAKKA, Lehtinen. Chief of the Finnish Intelligence in Helsinki.

20. WIKTOR, Lehtinen. Worked with SAKKA.

21. TUNN, Hendrikus. Investigator for SAKKA.
